Professional Experience

Dinofatties

01/20 - 07/21

Community Manager

Our goal is to innovate and provide the best services like many children we always has the dream of having real dinosaurs. So we started a gummy brand for children, while working we thought why not give web3 a peek of dinofatties

- Community management
- Conflict management
- Content creation
- Successfully setup a discord server for the project.
- • The team and I designed and implemented policies to improve interactions and community satisfaction.
- • Recruited , hired and managed team to meet community needs and engage the community.
- • Managed the team to ensure that all the workers are communicating and working effectively .
- • Collaborated with other projects to ensure awareness and productivity for the project.
- • Worked hand-in-hand with the marketing team to implement a good strategy for the success of the project with the available budget.
- • Worked with and analyzed the important KPIs to measure the growth and success of the project.
- • Organized quiz , event , contest and giveaways.
- • Relate complaints of the community members that cannot be handled by me to the Admins and Founders of the Project.
